Convenient, Reliable Portable Storage

The affordable, high-performance Lexar® JumpDrive V100 USB 3.0 flash drive allows you to quickly and easily store and transfer your favorite photos, videos, and files on the go. The drive has a protective cap design to help safely protect the drive and its contents, and includes a lanyard loop for convenient connection to your keychain or backpack. Available in capacity options from 16GB-64GB, this drive is also backwards compatible with USB 2.0 devices. Two-year limited warranty.

Plug-and-Play Design.

The drive has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you.

Delivers for both PC and Mac®

Compatible with both PC and Mac® systems, the JumpDrive V100 USB flash drive allows you to quickly and easily store a huge number of photo, music, and video files.

Store more.

Available in 16/32/64GB—it's easy to store more of your data in one place.

Rigorously tested.

All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes.
